

Community Garden

Monday, 19th January, 2009

The first meeting of the community garden was attended by several community members. Participants have selected a site and have formed groups to progress through the different stages needed to get the garden up and running. All participants chose a role and formed groups to further the garden. There are several sub groups being formed to tackle the different stages of growth. These teams are: Media, Sponsorship, funding and donations, and a website group. If you are interested in any of these areas or have skills in these areas that you would like to contribute please feel free to contact Joanne Murray at Berkeley Vale Neighbourhood Centre on 4388 5801.
