**Managing Angry Adolescents Differently**  
Addressing the 11-17 years of age group

**Are you experiencing  
anger management problems  
with your adolescent or teenager?**

This Seminar runs for about an hour and a half. Using stories that illustrate the point, humor, audience participation and visual aids. Ken Nathan presents anger as a normal human emotion but explains how it can become destructive and the resulting consequences. Find out about the RAGE (Re-navigating Anger and Guilty Emotions) for your adolescent/teenager aged 11 to 17 years old.
